# BALPA Members Rally and March

## Sat 15th March from 11.30

14th March 2008

**Hundreds of pilots and their families will attend this event on Saturday. If you are planning on coming along here are some essentials to know.**

### Pre-Register

Please indicate your intention to attend wherever possible

This will speed up the registration process. Please contact [attendingsaturday@balpa.org](mailto:attendingsaturday@balpa.org) or text **07979 953883**.

### Arrival

We will hold a briefing at 12.30. It is very important that you arrive in sufficient time to register.

We will be able to accept you into the conference room from 11.30. On arrival you will be issued with a wristband to help us identify and control numbers. Please bring a BALPA membership card or some other form of ID.

### Uniforms

Please **DO NOT** wear or have **VISIBLE** any pieces of BA Uniform

It is very likely that BA will consider taking action against individuals who wear uniform in breach of FCOs or the Uniform wearers guide. Therefore please do not wear uniform on the day or cover it up.

### Parking

Parking is available at the hotel. BALPA has subsidised the parking rate.

Instead of the normal hotel parking charges we have subsidised the rate down to £7.

### Pets

The Police have asked that we do not bring animals on the march.

Because we are walking along the A4, animals will not be permitted for everyone's safety. There are also no facilities to cater for pets at the hotel, other than guide dogs.

### Attire

We would suggest that you have sensible walking shoes and a coat.

The walking distance is relatively short at approximately 2 miles. We will be walking at a gentle pace on tarmac roads. Sensible shoes for this are suggested.

### Weather

We will go ahead no matter what the UK weather throws at us!

The forecast for Saturday afternoon is cloudy with some light rain later in the evening.

**We look forward to seeing a full room on the day and meeting as many of you and your families as possible.**
