BALPA General Members Meeting

Wednesday 6th February

7.00 PM Renaissance Hotel at London Heathrow, Renaissance Suite

Special Guest Speakers:

Captain Ian Woods, President Australian International Pilots Association
Rob Baker, American Airlines International Alliance Committee
Evan Cullen, President of Irish Airline Pilots Association

BALPA has invited these two special guests to address the meeting and share their thoughts on the threat to BA mainline pilots from OpenSkies. They are flying in from their respective continents to share their own experiences and give their invaluable insight to this dispute.

Please arrive by 6.30 for a 7.00pm start.

The BACC asks every BALPA member who is not flying to attend.

This is the most significant issue that any BA member is likely to face in their entire career. We hope the meeting will be standing room only.

We will win this dispute with the full unwavering support of the membership.
